

# Got An UGLY Faucet?

## Have It REPLACED Today

### In-House Plumbing Company

Serving YOU is Our Business

### \$125 Labor Only to install any faucet

Coupon applies to residential single and dual family homes only. Subject to availability. Coupon must be present at time of service to be valid. See terms and conditions on each coupon. All coupons are for new customers only, unless otherwise approved by management. Dallas, Collin & Rockwall Counties only.

1. There is no warranty for the sink and/or faucet if we do not supply it. (If there is an issue that needs to be repaired/replaced there will be a charge).
2. We are not responsible for manufacturer defects on the sink or faucet, if

there is a defect out of the box, there will be a trip charge of \$57.50 charged for our time to come and install the sink that at that time could not be installed. This charge will not be refunded or deducted from the overall bill.

We cannot guarantee to perform this work for the following (but not limited to these) reasons.

1. The correct faucet is not on the job sight or supplied
2. The old faucet cannot be removed for whatever reason.
3. We do not have or cannot get proper access to be able to remove the faucet.
4. The new faucet will not fit the opening provided.
5. Cut off valve breaks when trying to turn the water supply off to the faucet, or that valve will just not shut off completely and the water supply to the house cannot be turned off. This proposal does not include any work to the water cut off valve(s).
6. We reserve the right to explain on the job sight any other reason why the test would not be able to be performed.

Amount to be collected if we cannot perform this work. We will collect \$57.50 no matter what if we cannot perform this work. Then we will inform you what needs to be done **IF POSSIBLE** in order to perform this work. If it is work that a plumber needs to do, we will give you an estimate for that work to be done. If we perform that work, we will deduct the \$57.50 charge from the overall bill.

### Warranty

This work carries NO warranty, unless we supply the faucet at which time the warranty will be 1 year.
